About Us

Career Path is a leading training and consulting firm dedicated to empowering individuals and organisations in their professional growth and development.

We provide comprehensive solutions to enhance skills, knowledge, and career prospects. In addition to our core services, we also specialize in providing guidance and support for higher education opportunities abroad and delivering corporate training in IT and Non-IT domains.

With 25+ years of industry experience, we empower individuals and organizations to navigate change, achieve goals.

Core Values

1

Integrity:

We conduct business with honesty, transparency, and ethical principles.

2

Excellence:

We strive for the highest standards of quality, professionalism, and innovation.

3

Collaboration:

We foster a collaborative environment where teamwork, cooperation, and respect are valued.

4

Continuous Learning:

We embrace a culture of continuous learning and growth.

Training:

We provide industry-leading training programs, workshops, and courses to equip individuals with in-demand skills and knowledge in IT and Non-IT domains.

Corporate Training:

We deliver customized training programs tailored to the specific needs of organizations, enabling them to enhance the skills and productivity of their workforce.

Higher Education Abroad:

We offer comprehensive guidance and support to individuals aspiring to pursue higher education opportunities abroad. From university selection to application assistance, we help navigate the entire process.

Our Services

Recruitment Services:

We assist individuals in finding suitable job opportunities, connecting them with our network of reputable organizations.

Project Consulting :

Our expert consultants provide guidance and support to organizations in planning and executing successful projects

Project Internship:

We offer internship opportunities to students and fresh graduates, allowing them to gain practical experience and enhance their employability.
